2020-2021 TUITION RATES

The cost to educate a student at Trinity Lutheran School exceeds \$6,500 per school year. Members of Trinity Lutheran Church place a high value on Christian education and provide financial support for **every student** that attends Trinity School. Nearly 75% of school expenses are covered by the money received through church offerings and contributions. Thanks to the generosity of this congregation, Trinity Lutheran School is able to keep its tuition affordable for our families!
